Content

Mobility 9: Reflective Workshop in Prishtina

- HC on WP3:
 - Further Understanding the Pedagogical Approaches with to their adequacy linked to specific objective of the course and evaluation methods
- HC on WP4:
 - JAMK will Organise Online Workshops within the Sub-Study Circles for Drafting the EU Format of the CPD Courses in line with the EU Framework and Operating Model of SMAHPC
 - Prioritize Knowledge and Skills for Each Level of EQF and Competence
 - Priority should be given to the CPD Courses Related to the Client-Centred Approach Competence because all the Kosovo Partners have Identified Relevant Courses within their Curricula that must be Piloted in the Winter Semester. Whereas the Rest of the CPD Courses are our Priority, but Not with the Same Level of Urgency since they will be Piloted on the Summer Semester.
- HC on WP5:
 - We need Closer Monitoring of the Level of Participation and Contribution of Each Partner in Each Expected Deliverable.
 - We need Concrete Measures from the Internal Quality Team Recommended to the Pm Team on How to Address the Drawbacks Identified during their Monitoring.
- HC on WP6:
 - We need each Partner to Identify Relevant Online Conferences.
 - Each Partner should get Involved in Preparing a Final Product, Eligible to be Presented in Respective Online Conferences.
 - In Total, Jointly Project Partners Should Participate in Two Online Conferences within 2020.
